Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

SEARCH AREA & RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. Trial will take place rain or shine.

Search area sizes will be as stated in the AKC regulations for all elements and levels.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging areas include warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A **warm-up** area will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blanks containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog. Please be considerate of others using the area.

SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. This trial site will not be used for Scent training at least one week before the trial. Google maps is fantastic to "see" the site virtually!

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be ask to leave the area by the judge. Spectators are forbidden to discuss details of the search with handlers who have not run. Please do not discuss **any** searches while on trial grounds to avoid any confusion. Please check in with volunteers if you would like to spectate.

Crating space WILL NOT be available in the building, you will be expected to crate from your vehicle/outside your vehicle in the parking area. It is possible we will be using a parking structure with height limitations for taller vehicles. Please be aware of the temperatures and plan to bring shade screens, fans, and water as necessary. Dogs **MUST** be kept on leash while not working. There will not be overnight security, do not leave your personal belongings overnight. **Please contact Trial Secretary if you plan on parking a motor home or vehicle larger than a normal parking space.**

Exhibitors are responsible for **cleaning up after their dog(s)**. Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place.....	Blue
Second Place.....	Red
Third Place.....	Yellow
Fourth Place.....	White
Qualifying Score.....	Dark Green

A New Title rosette will be awarded to all dog and handler teams finishing a title.

High in Trial

Novice, Advanced, and Excellent (Saturday) and All levels (Sunday) High in Trial rosettes will be offered at this trial. Only teams who participate in the same difficulty level in *all* elements offered (Container, Interior, Exterior, and Buried), and qualify in each are eligible to win High in Trial. There is no separate High In Trial for the Novice A and Novice B sections; they are combined. The High in Trial is determined by adding the team’s faults across the elements. If there is a tie based on faults, then the team’s times across the elements will be summed and the faster-finishing team will win. Teams winning High In Trial will earn a rosette.

Members of the **Arizona Earthdog Club** are eligible for an additional flat ribbon when they achieve a qualifying run.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to

perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Arizona Earthdog Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Arizona Earthdog Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Arizona Earthdog Club or any official thereof.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge (tags ok). Dogs are permitted to have a wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches where allowed). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Details about flow and run order progression will be covered in the briefing.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.
