

ABOUT THE DATA

Figures displayed below reflect all arrests where an individual was either cited or booked into jail for the following charges and/or warrants:

15.08.080	Camping/Sleeping in Park
11.12.080	Camping and Sleeping on Public Grounds
14.28.060	Camping/Sleeping on Public Streets

Warrants listed are not necessarily warrants that were issued by Salt Lake City Police Department; the warrant could have been from any agency listing warrants on the Statewide Warrants System, however, their existence on this list indicates the individual was arrested and booked into jail by SLCPD for the warrant.

Each line displays one arrest or citation; indicating one per person, per incident. Duplicate case numbers indicate more than one person was arrested or cited on that case.

In the 'Class' column:

WA = Warrant:	Subject was booked into jail.
WN = Warning:	Subject was released on a Warning and was not booked into jail or cited.
IN = Infraction:	Subject was charged with an Infraction and was either cited or booked.
MD = Misdemeanor:	Subject was charged with a Misdemeanor and was either cited or booked.
