Presidents Letter

Here we are in the midst of the Fall Season and a very hectic time for both teams and individuals. Some teams finished out the first half dominating their divisions while in other divisions the battle for a first place finish went right down to the last game. As many of the players found that their finish for the first half was not what they expected, they feel they can do better. As the second half of the season gets under way many players feel that with the playing time and experience gained from the first half they can attain a much better finish and force a playoff in December.

Just as many of the teams fought for position within their divisions, many individuals were vying for a solid qualifying score which would place them on this years All Star Team. As the last week to qualify approached, the qualifying intensified with higher scores being shot thus the position of many being challenged. With the final roster compiled, our sights are now set for November 18 and the Quad City Challenge match. If you are not aware, the Quad City Challenge takes place in conjunction with the \$8,000 Buckeye Open Dart Tournament held November 16 & 17 at the Raddisson Hotel (4900 Sinclair Rd - I71 at Morse Rd) in Columbus Ohio. If you are planning to go to the tournament, or if you can not make the tournament, try to be there Sunday to support Dayton's All Star Team as they take on the teams from Cincinnati, Cleveland and Columbus.

Before the end of the Fall Season arrives the individual darter will have the opportunity to claim top honors in his/her division by competing in the Divisional Singles Championships. The Divisionals for those divisions which play on Wednesday will be held Saturday December 8 while those divisions which play on Thursday will be held Saturday December 15. Sign ups for all the divisionals will close at 3:30 pm at the location where your respective divisional is to be held.

I would also like to remind you that if you are planning to compete in the 1991 Winter Season you must submit an application to do so. Applications will be available and are to be received by the DDA before December 20. So get your application in early then enjoy the holidays and their festive times and as always, take care and enjoy yourselves.

Respectfully,
 Mark A. Grencavage
 President, D. D. A.

Editor's Page

Well...I guess it can really be called the Editor's Page now (since it is really a whole page), only half as big, but a page is a page.

This is the first smaller version newsletter. I hope this format suits at least 51% of us. Let us know what you think with a note to the lonely editor department.

The qualifiers for the All Star Team are all done now and the final team is listed around here somewhere as long as I didn't lose the list. I think we have one of the best representations of our darting ability that we have had in a long time. Shoot well.

I think the new size of the newsletter opens up all kinds of possibilities for its uses. Since it is thicker, it is better suited for putting under that table leg that is shorter than the others. It is a much better size for your kids to handle as they scribble on all the pages. It will now easily fit in your pants pocket so when it gets to the washing machine, it has a better

chance of getting run through a few cycles.

The bad news is that the smaller pages are not as good for use when you run out of toilet paper, but you do have more sheets!

In the future we expect the newsletter to continue shrinking until we can mail it as a postcard. We expect all DDA members to keep on improving their eyesight so that the shrinking size does not bother them.

Seriously now, I'm looking for different dart games that people play in the area. I would like to

talk about these in a column, so let me know of any different games or practice routines that you have seen or use. Even if you're not much for writing, just call me and leave the info on my answering machine so we can share them with everyone. Since we're talking about sharing, ask Bradley about sharing things, especially things that he shares when he has gastrointestinal distress. (I guess you can't blame Ricky all the time any more, Brad)

Enough rambling for now, since you should be just about done in the library.....Lou

Games

Burma Road - Here is a game that is fun to play as a warm-up or just as a deviation on Cricket. Any number may play, from one on up.

Each player begins with 40 points. The first throw is at 20's. Any 20's hit are scored in the normal Cricket manner. If no 20's are hit, that player's score is halved.

The second throw is at 19's, with any hit scored normally and a miss halves the score. The third throw is at triples (any triple). The triple(s) hit are scored at point value (t16 = 48), and a miss halves the score.

This continues through 18's, 17's, then doubles. Followed by 16's, 15's and bulls.

The player with the highest score at the end wins. You can keep track of your highest score and shoot against that for practice, or you can shoot against another player.

Introducing Dayton's 1990 All-Star Team

The All-Star qualifiers are over and the team has been formed. We have an excellent group of darters that will represent Dayton at the Quad City Challenge in Columbus on Nov. 18.

I would like to thank all the darters

ON THE ROAD

Dayton Darters, I hope each & everyone of you were able to spend some time at the Dayton Dart Open, because if you didn't make it you missed a great time! There was a DJ in the lounge both Friday & Saturday nights for the people to put their wins and losses aside and sing and dance the night away. Jeff Kompon even took time out Saturday to provide a magic show down by the pool. There was even bagpipes to start the tournament. The fun came from every direction, there were several of our future darters, Jessica Wahlrab, Brad Wethington Jr, Jim Medley III. So you see the Dayton Dart Open isn't just down to business, its family, its friends, its just fun.

But wait one moment, we did throw darts too! And several Dayton Darters were right there to show their stuff. Surprisingly the one who did the best isn't a DDA member this year. You may remember him as the boy wonder of last year, Scott Buckley. Scott got Second in both the Blind Draw 501 and Open Doubles Cricket with Jeff McKinney, third in the LOTD

Triples, and ended the weekend with top 8 in Blind Draw Cricket and Open Singles 501.

It was good to see the Nicoll family were able to take time out from running the tournament to throw a couple of darts, Bill Nicoll Jr. took second in Open Singles 501 and three top 8 finishes; blind draw 501, Singles Cricket and Open Doubles Cricket with Jeff Kompon. Jeff also teamed up with Karen Nicoll to get 3rd in Mixed Doubles. Bill Sr. took top 16 in Blind Draw 501, while Ellie teamed up with Doug Manuel to finish top 8 Mixed Doubles. Greg Nicoll took fourth in Blind Draw Cricket and top 16 in Open Singles 501. Timmy Nicoll not to be outdone, took second in LOTD Trips.

Steve (Spanky) Manger was to start the weekend in fine fashion with a 1st place finish in the Friday night Blind Draw. But he was not alone, this turned out to be Dayton's finest hour, Wayne Wells took third and Ken Matlock cashed in for his first win of the weekend when he took fourth in this event but was to go on and get

ON THE ROAD (Continued)

top 8 in Open Singles 501 and top 16 in Sigles Cricket. Mike Coffey, Rick Bitzer and Bradley Wethington all took top 8, Bradley then went on to get third in Singles Cricket. Top 16 in this event went to Stacey Raisch, Rick Davis, Mark Needles, Chris Wahlrab, Brad Karch, Chris Wesley and Jim Medley. Larry Vanderboegh not only got top 16 here but went on to get top 16 in Singles Cricket. Dave Servis took top 16 and with Janet Itzkowitz finished fourth in Mixed doubles. Janet, having a great weekend, went on to get second with Tamra Needles, who finished top 16 in Blind Draw LOTD and in Ladies Doubles 501. Tereasa Wahlrab also took top 16 and went on with Jackie Bitzer to top 8 in Ladies Doubles 501.

Blind draw Cricket gave Shell Hixson a third, Lee Ray Thompson, Chuck Wells and Tom Poliquin finished top 8, with Tom later to get another top 8 with Jody Furrow in mixed doubles. Jody, Terry Toney, Wayne Shell, Tom Nickelson, Frank Wolfe and Lou Lovash took top 16. Frank also finished top 8 in LOTD trips and Lou with

Ron Cloutier took top 8 in Open Doubles Cricket. But Ron wasn't finished there, he also took top 8 in Open Singles 501.

Our own DDA President Mark Grencavage took a First Place in LOTD Trips and with JJ Jackson finished top 8 in Open Doubles Cricket. Bob Bailey took third in LOTD Trips and with Paul Stoermer top 8 in Open Doubles 501. Gene Perry and Larry Furrow took top 8 in LOTD Trips.

Heather Jordan and Sue Kreuzer made a fine effort with top 8 in Ladies Doubles 501. Jann Christiansen was the only Dayton Lady to get to top 8 in Ladies Singles 501, way to go.

Several Dayton Darters were able to not only attend, but also get in the money at the \$50,000 Windy City Open.

Frank Wolfe knows how to start a tournament when he teamed up the Dave Kelley to get a first place in the Friday night LOTD. Bill Nicoll, Jr. teamed with Russ Marr to finish top 4, this isn't bad at all

when you consider there were 796 entries in this event alone.

Open Doubles 501 had Tom Poliquin and Wayne Wells finishing top 32 out of 263 teams. Lou Lovash and Brad Wethington finished top 64 out of 300 in Open Doubles Cricket.

We had only one Daytonian in Open Singles to finish top 64 out of 378, Tom Poliquin...looking good.

Hey I got an answer to my question "Did anyone take their darts to the North American Open?" Bill Nicoll, Jr. did. Bill took top 64 in Mens Singles 301 and with Frank Pratt top 16 in Open Doubles 301. Well I guess you could say he took his darts!

that got involved. The scores were out-of-this-world! It was really amazing to watch the determination and enthusiasm in so many people - and that is the same attitude we need to keep for the tournament.

Only 42 darters can be on the team, but we can't do it alone. We need the support and enthusiasm of everyone that participated.

Please come to Columbus and help us win!

Finally, I owe a large thanks to all the board members that sacrificed alot of personal time to make the qualifiers a success!

Committee to meet on August 22 or 23 to do membership cards.

Vice Presidents report - Chris has looked at the books and everything is in order.

An agreement has been decided upon and signed by Bill and Ellie Nicoll for the Dayton Dart Open this year. Accepted by board.

The summer league banquet budget is increased to \$1500. Banquet Committee of Mike Coogan, Shelli Hixson, Maureen Bennett, Linda Busch and Donna Hack appointed.

Fall league point system is discussed. All of A bracket of Gem, Gold, Silver and Bronze voted to remain the same. B bracket to be comprised of Blue, Red and Green voted on and approved. C bracket to be comprised of Orange, Yellow, White, Brown and Scarlet approved.

All-Star qualifiers - It is voted on and approved that one board member and one DDA member must be present to qualify someone. It is approved that qualifying score will be total of 54 darts at score and 6 darts at doubles (@ 20 pts per double) and all bounce outs may be re-thrown and that qualifiers may only be held at DDA sponsoring locations as well as at the Dartboard Shoppe and the Dart Train and that you must be a member and that qualifiers

will close on October 28, 1990 at 11pm.

September 17, 1990

Meeting called to order at 7:20, roll taken, previous minutes accepted.

President reports All Star qualifiers are moving along and discusses a robin-hooded dart, decision to be made later. The Summer League Banquet had about 85 people attend and an LOTD was held with \$50 added by the DDA with 32 entries.

Treasurers report is accepted.

All Stars - we have had 3 of 14 qualifiers and have 5 new DDA members with 226 attempts so far. Last year the shirts cost \$1,093, we hope to cover most of the cost this year through qualifiers. A decision is made that bounce outs and robin hoods may be re-thrown, nothing else.

City Championship - Divisionals - game will be 501 best of 3 games. Format is double elimination until top 6, then round robin best of 3 games 501. In the case of a tie in the round robin, one game of 501 will be shot. Wednesday night divisions will shoot on December 8, with Thursday night divisions on December 15. Sign-ups will close at 3:30. A plaque will be given to first place and certificates for everyone who makes it to the round-robin bracket.

Lou questions how the advertisers in the newsletter are to be billed. He is to do it.

Meeting Adjourned at 8:41.

"Gem City 10"

The Dayton Ladies did it again, second place!

This time Hanks Pub hosted the 4 Ladies Challenge teams here in Dayton. Hank and the ladies who work there, went all out to make everyone feel welcome, and we would like to say thank you for making our mini tournament perfect!

Donna and the ladies went in determined to repeat their 1989 first place win. But Indianapolis was to crush their dreams, with a first place win of 51.

Lexington, too, was determined to take us down this year. But in a last round, last match, last game, have to win effort, Jann Christiansen &

Mary Toney were to scratch and claw their way to a win.

The back room was filled to capacity with both Lexington's team and Dayton's team there to root them on. The excitement and team spirit filled the room. With this win we would tie Lexington for a Second place overall finish.

That moment, that excitement, that team effort is what makes being a "Gem City 10" Lady the greatest.

With Indianapolis getting first, Dayton & Lexington tying for second with 48 that leaves Cincinnati last

with 45.

So our record still goes untouched, no other city has won two in a row, much less three, as the Dayton team did last year!

We would like to thank you all for your support. Throughout this long day several Dayton darters came in to lend their support. You will never know how very much this is appreciated by all of the ladies, and envied by the other cities.

But Dayton is over and the ladies are getting ready for Indianapolis November 10.

Wish us luck!

Thoughts..... Darts

Never underestimate
your opponent.

When you are playing
someone who is nor-
mally a lesser player,
it is easy to not push
and not try your hard-
est.

If you happen to catch
this "lesser" player on
a day when he is hot,
you may lose , or give
him an opportunity to
win (which may pro-
duce the same results,
it he is hot).

Just remember, on
any given day, any-
one can beat anyone.

Practice up and only
throw "smart"
darts...Lou.
