

We preached to 12,460 police officers in Mexico

September 2015

Randy training Mexico City Police Officers

Dear Friend,

I was amazed as I sat on the stage with the Chief of the Mexico City Police Department and looked out at the 2,500 officers I would be training and sharing the gospel with. It was a miracle that God had made all of this possible.

Each day we had a different group of 2500 officers and I was able to preach the gospel to them. I only had two hours a day with them and I was by myself. Well not by myself, the Lord Jesus Christ was with me and I felt His presence and His power.

I saw over 2,000 officers respond to the gospel in 4 days and rejoice at the opportunity to share the gospel for the 3rd time with the Mexico City Police. Many came up to me and thanked me for sharing the gospel with them. We have now preached to 21,000 police officers in Mexico City this year. We still have about 60,000 to preach to.

The following week Jeff Sill joined me for our outreach. We ministered to the State Police of Mexico for the first time. We were in Toluca and had 2,460 officers in our four days with them. Again over a thousand officers responded to the gospel. Jeff and I were amazed and surprised by the response. They have invited us to come back this year.

Ana Laura was held captive for years as a forced slave laborer in Mexico City. She was chained and beaten but escaped and was rescued by the police. We invited her to give her testimony. She had over 600 scars on her body but her life has been transformed by the power of Christ. The police sat in stunned amazement as she shared her testimony.

It is because of your prayers and giving that we have this kind of opportunity to preach the gospel to the police in Mexico. Thank you for partnering with us in this important ministry.

God bless you.

Prayer Request

Pray for our outreach in Mexico from October 3-10.

Pray for House on the Rock Church as they help us with follow up to the police in Mexico City.

Pray that God will raise up the team members we need to help us with these outreaches.

Pray for the finances we need to travel to Mexico and reach out to thousands of police officers.

Ask the Lord to continue to give us health and strength as we have more work to do than ever in this ministry.

We also are planning outreaches in Belize, Guatemala and Colombia this year. Pray that God will prepare the way and provide everything we need for these outreaches.
