

THE DEMISE OF AMERICA

JUDGMENT OF BABYLON WEIGHED IN THE BALANCE

A Sword Coming to Divide the Nation

It is interesting that what will come up first from the horizon over NYC is Virgo, the very same 'Woman' that represent virtue, morality and purity as was America. Then the sky is followed by Libra, the Scales of Judgment. Then the Eclipse occurs around 6:30am local time as it breaks the horizon. Most interestingly is that the Hybrid Eclipse occurs at the apex of Libra's Balances, right in the middle as it is also flanked in the midst by the planets Mercury and Saturn. With this combination, it is a prophetic depiction of Lady Justice, with a Balance on one hand and a sword on the other.

Lady Justice

Lady Liberty

Harlot of Babylon

Ground Zero in NYC is basically America's Giza Plateau. It is almost now an exact proportional replica of the Pyramids in Giza, especially now with the completion of the Freedom Tower. This Freedom Tower completes the 3 main Pyramids that are mirrored from those in Egypt. It also has the inverted & mirrored elongated HEXAGRAM design.

3 PROPHETIC TYPES OF WOMEN PORTRAYING AMERICA

Virgin America

The 1st Woman represented NYC and America through the Statue of Liberty with the Torch of Liberty as a beacon to aid those seeking freedom from persecution, be it religious, social, or political. She provided hope for the down-trodden steeped in poverty that allowed untold many a chance at a new beginning and life. She represented the compassion and all that is right about America that is the USA with its law and order based and founded on the US Constitution and Bill of Rights. These documents that are heavily based on the Judeo-Christian moral precepts changed the world for good.

The Harlot of Babylon

The 2nd Woman now represents both NYC and America as a whole metaphorically speaking by the Whore of Babylon. What goes on in the underground of NYC and in the homes across America is totally unimaginable, down right satanic. There is much evil and sin but the growing numbers of circumstances merits an alarm. There has been increases and not decreases of such a condition of the heart, soul and minds of the people abound: child and slave-trafficking, drugs, illicit sex, violence and corruption, greed etc. This typology of the Harlot of Babylon is a true representation of what is currently wrong with America.

Lady Justice

In the coming future, the Statue of Liberty will now soon become Lady Justice for this Great City and Nation. Why? Because when a City and/or Nation turns its back on its Creator it will then next turn and be against those that stand for GOD's godly principles and morals. This immoral condition are seeing this now in cities all across America. As the stenographer rightly spoke by the Power of the Holy Spirit during Congress, a City and Nation cannot serve 2 Masters. It was a verbal warning to the Rulers of America.
