

Hi CLEWS! I hope you all are staying safe and healthy.

I also hope you enjoy these activities to do during Easter week. May all of you have a wonderful and blessed Easter!

Don't forget to take some pictures of what you have been working on and send it to your teachers! We would love to see it!

OUTSIDE TIME:

Easter and spring is a time for rebirth. Can you go outside and find new signs of spring? This might include buds on a tree, daffodils and tulips starting to pop up out of the ground, or maybe even a robin starting to build a nest! What else can you find?

READING TIME:

Check out this YouTube Video of Ms. Beth's daughter, Zoe, reading "Biscuit's Pet and Play Easter" <https://youtu.be/nvsJB5qGNhk>

Pick out a book for a family member to read to you every day!

Looks to see if your library has an eBook app. Orland Park uses Hoopla. Check out some Easter themed books like "Berenstein Bears and the Easter Story", "Pete the Cat and the Big Easter Adventure", or "Happy Easter, Little Hoo!"

EPIC app-Although this is a paid subscription (\$7.99 per month; 30day free trial) they have lots of read aloud options.

COLORING TIME:

Color the easter eggs (see below) and then ask an older sibling or a grown up to cut them out. Hide them in a room and have someone find them... Like an indoor easter egg hunt!

Also check out the other Easter coloring pages below! Make sure you go slowly and fill in the whole picture!

SCISSOR TIME:

Practice cutting by using kid scissors and cutting straws in little pieces. Remember our preschool rules, if you are cutting always be sitting down. Do not walk around with scissors. Watch how they pop! And don't forget to clean them up!

SING WITH ME:
