Prospecting Equipment Liability Form

I, _____(Print Name), acknowledge by signing this form that I am liable for the equipment I am checking out. I agree to a \$150.00 (One Hundred and Fifty dollar) deposit to the club to be refunded to me when I return the equipment. In the event of theft, or complete destruction of this equipment I will furnish a replacement of comparable specifications at my own expense. In the event of repairable damage, I will at my own expense, allow GSSN to facilitate the repairs and hold me liable for payment of those repairs. A GSSN Executive Board Member will furnish me with a written estimate for the required repairs before any work is to be performed. If the cost of repairs exceeds the cost of a new piece of equipment, the GSSN Executive Board in cooperation with the equipment user will decide whether the equipment will be repaired or replaced with a piece of equipment of comparable specification. This form applies to the following Prospecting Equipment owned by the Club: Metal Detector, Dry Washer, Desert Fox, Blue Bowl, Highbanker and GPS.
