We the People come in Peace and with clean hands.

A NOTICE OF FRAUD IS HEREIN GIVEN/PROVIDED TO THESE HOUSES OF THE UNITED STATES CONGRESS, UNITED STATES SENATE, U.S. House of Representatives, President Trump — For your consideration:

COMES NOW We the People, Living man/woman, Natural Bloodline Americans, Sovereigns, one of the People, who resides within the union state of Ohio, and demands all things be self evident.

Why are you being Noticed? Due to fraud in the Ratification of the 16th Amendment = the Income Tax Amendment - {U.S v. Lloyd R. Long Federal District Court AL; Case No 1-93-91} It was proven to the Federal Jury the

16 Amendment = INCOME TAX AMENDMENT was never Lawfully Ratified. THE VERDICT = NOT GUILTY ON ALL COUNTS. I Believe this is a SHAM under Falsehood, and a SHAM LEGAL PROCESS, as a A CRIMINAL ACT UNDER FRAUD and the False Claim Act.

As Members of the House and Senators, Your vote to make aright any/all legislation to eliminate this fraud against the Peoples Government should be immediate thereof and mark in the official journals of both houses of Congress "Be it hereby Noticed The 16th Amendment, due to Improper Ratification, needs to be removed from the United States Constitution, et al, the fraudulent 16th Amendment/instrument should reform the U. S. Tax Code and inform all union States that All Individual income taxes are null and void on face ab initio thereof. And should therefore make Amends and return to the lawful bloodline American, living natural American, sovereigns, all money illegally obtained under this fraud scheme. You could therefore, be able to fix the Debt owed to WE THE PEOPLE, you created by fraud THEREOF.

WARNING:

Remember the entire Tax Code may well still apply to the Federal Zone Whereas Un-Constitutional Law can apply to the Holding Territories so use caution when revising the tax codes.

Whereas, nearly 60 key case rulings of our nation states, our one supreme Court, is being ignored, your failure to remove this Amendment only proves you all are engaging in intentional tax fraud against WE THE PEOPLE, through trickery.

You should inform the Department of Treasury, General Accounting Office, and the IRS to use their Master File to return this money back to the We the People. And should Furthermore, all supposed IRS debts are hereby immediately Cancelled/Terminated. Our elderly men and women shall be paid first. Whereas Government is funded by the Fair Debt Reduction Act an acceptable time limit to re-pay this debt back to the people - Max is 4-years. In order to satisfy your debt to We the People I would suggest you cease and desist all wars, Loans to foreign entities, et al, all, and that you should immediately begin collecting on all war debts owed to this nation for the defense of foreign home lands. This Nation is not the Savior of the World so it is past time for a balanced budget Amendment and line item veto to control spendings. After all, the people our the Creditors, not the Debtors.

I would, if I were you, effectively and immediately, Cease and Desist all

government printing and Publications of Individual Income Tax Forms for all union States -acceptable for all holding territories and the Federal Zone. Since We the People are a living Natural Born - living Americans, under non-corporation status. And readdress those forms, stating that status for non-corporation status, for the people who are not corporations.

Whereas this Nation” s Constitution has never granted any authority to a Federal Corporation, to commit Fraud by Trickery, therefore, Congress should remove any/all use and referances to it immediately = 28 U.S.C. at 3002 Definition 15, etc.

Congress should, effective immediately, provide full Authority” to law enforcement agencies with over lapping authority to investigate questional behavior/activities within all government agencies and departments and to file any/all necessary criminal charges, complaints and Claims that benefit the People thereof to end corruption within the Peoples Government of this Republic. Failure to do so shall be considered Obstruction of Justice. Pass necessary Legislation to outlaw Lobbying whwhereas it is a government of the People and not Corporations which is a conflict of interest to the legislative process. All government employee job descriptions shall include Other related Duties if not currently in the Job Description.

Any/All candidates running for Public Office shall conform to the Term Limits established within our Nations Constitution - your administrative rules thereof. It is time to stop the Career Politician corruption.

Both Houses of Congress shall adhere to the Jefferson Manual = Rules of Order. No vote on any Legislative Act should be taken without the entire Act be Read for 3 consecutive days, with all members present before a vote can be taken thereof. Executive Orders shouldl be under and reviewed by the entire Congress and should be reviewed by the Supreme Court for Constitutionality issues as should all Legislation passed.

Any Representative who does not respond to the Roll Call shall be docked 1-days pay - Illness, bereavement, and family Emergencies excluded. The Representative shall also be charged and lose a personal day,

The President, Congress, Government Employees and We the People should be covered by the same Retirement and Medical Plans. HJR 192 to pay medical and other costs. No employee, elected an Public Official/Servant shall be paid by Public Funds whereas this defacto Corporation was established - Fraud by Trickrty, without the knowledge/consent of We the

People.

It would appear This Corporation responsible to/for their staff and employees for all wages, Salaries and benefit Packages. Can you provide We the People the Corporate Tax returns of this Federal Corporation, Business License, Charter and Bonds? Registration in Every union State and their Secretary of State' s, Division of Corporation to do business therein thereof? Are these Jurisdiction Issues whereas the Congress is Operating out of the Federal Zone a non-State perhaps?

Answer these Question(s): How can this, the Peoples Government, "public, elected servants and hired employees be so incompetent in handling public Funds when all spending and expense reports must be approved. Whereas these budget overages should be immediately brought to the attention of the Office of Inspektor General then to Congress and reprimand(s) made part of their permanent records - Right? Do you even call your Department heads in for a good ass chewing for this crap? Lawful money does not grow on trees you know = however Debt Notes basic ingredient are.

Why are you continually run out of operating funds when each State and Federal department, office, agency submits a budget yearly? Are you all this incompetent in handling public funds? Who is warning the department head that they are approaching a crisis? Remember, you are funded by the F. D. R. A. "Fair Debt Reduction Act" No Taxes Necessary = double dipping. ? Where are the annual audits of these branches of the Peoples' Government and Court Audits I have for years requested. Why are the Courts not paying off the National Debt? One Court in NY City takes in \$1,000,000.00 daily and brag of it on their web site. How much of it went to pay our national debt? I see it as, Embezzlement! It Appears, our Judges are doing rather well considering 14% of court income goes to the retirement fund of the judge. Conflict of Interest thereof. Why does Congress not take away this sham process? Why are Judges Traded on D&B/Wall Street? for Profit? Conflict of Interest thereof? It is Paper Terrorism, Bullying, Harrassment, intimidation collusion and RICO. Running Bond, C.U.S.I.P. and Commodities Frauds against all who enter their courts for the judges personal financial gain.

Whereas this Constitution is the Supreme Law of the Land = Administrative Rules for the President and Congress = and every Judge is bound thereby under Oath. Why are this Nation' s Federal and State Judges practicing every thing in law, but Constitutional law in our Court' s System? It Appers, this is "Treason" under both Fraud and Fraud by Trickery. This is why the Supreme Court ruled all courts are crooked, - ACTS OF TREASON UNDER/WITHIN THE LAW THEREOF. The judicial system is broken a disgrace

= no longer justice for all. Prove to me the law being practiced in court today is Constitutional or that any court descloses the law being practiced is addressed to the plaintiff and Defendant thereof = sham process thereof = mistrials. Add here, to this color of law fraud scam.

All offices, agencies, Departments should have colored Fax machines whereas a Sovereign autograph is in Red ink. Furthermore I was born and have no Birth Day as I am not a ship. Therefore all government forms shall be changed to read "What is your Born Day" ? Is this process a fraud scheme under Admiralty Law = the Birth?

You have 21-days to comply from this notice hereof, dated for November 17, 2017. We come with Clean Hands Praying for solution(s) of the problems/Claims herein named above thereof:

We the People, now Crime Victims, Corpus Delicti 18 U.S.C. 3771.
