

WELCOME LETTER

Welcome to 100+ Women Who Care South Florida - Palm Beach Chapter!

We invite you to become part of this powerful group of women who serve our community by raising awareness and funds for the Palm Beach nonprofit community. In addition, you'll meet new friends; do some professional networking and, most importantly, HAVE FUN!

100+ Women Who Care South Florida is for you if:

- You don't have time in your busy life to volunteer but you still want to give back
- You can commit to one hour every three months
- You want 100% of your tax deductible donation to go directly to a local charity

How does it work?

- At each meeting, any member can nominate a local charity for consideration as a recipient of that meeting's donations
- Three charities are then drawn at random and the nominating member gives a brief presentation about the cause
- Members then vote on which cause to support
- Can't make the meeting? Send your check to the meeting with another member, mail it in or pay online

100+ Women Who Care Palm Beach Chapter is a platform for like-minded women to promote one another and to engage in the community where we work, play and live! This experience will allow you to gain insight into many organizations that have been deeply rooted in our community for years as well as startup nonprofits that are just getting started in Palm Beach. The couple of hours a year and minimal donation to which you commit can open doors to further your involvement and help you find your voice in the community!

We grow by our membership promoting our group and inviting guests to come witness our magical evenings of giving! So be sure to invite coworkers and friends! Our message is simple and we have BIG plans for the year ahead!

Please be sure to familiarize yourself with our Executive Committee; we serve to help guide you through this process and help you get involved and engaged in whatever capacity you choose. Throughout the year we will have tons of great events as well as collaborate with other like-minded organizations so please be sure to "LIKE" us on Facebook!
