

Dear Parents,

Hi! My name is Sandra Miller and I will be the PTA president for the 2017-2018 school year. I am really excited about this role and look forward to working with you! I would love the opportunity to share all the wonderful ways to get involved at Sara Collins. There are so many ways to volunteer and some positions may only require one hour of your time.

Please take a minute to look over the list of the various committees and check any you may be interested in learning more about. We will contact you to talk to you more about your interests and your availability and get you plugged in. If you have any questions, please email me at saracollinspta@gmail.com.

Thanks,
Sandra Miller
