

Guaranteed & Viable Curriculum

Projection Mapping

Woodburn School District

June 2018

Objectives:

- Introduce guaranteed & viable curriculum
- Review types of curriculum maps
- Provide a supported work opportunity
- Use previously created documents to create a projection map for the 18-19 school year including:
 - Standard emphasis by unit
 - Number of days per unit
 - Actual school calendar dates for each unit

Agenda

Welcome

Intro to Guaranteed & Viable Curriculum

Curriculum Mapping

- Projection Map
- Unit Map
- Backwards Map

Guaranteed & Viable Curriculum
Projection Mapping
Woodburn School District
June 2018

Objectives:

- Introduce guaranteed & viable curriculum
- Review types of curriculum maps
- Provide a supported work opportunity
- Use previously created documents to create a projection map for the 18-19 school year including:
 - Standard emphasis by unit
 - Number of days per unit
 - Actual school calendar dates for each unit

Reflection:

One thing I want to remember is:

My next step will be:

One thing that would have made this time better for me:
