# Vanderbilt Area School

The mission of the Vanderbilt Area School is to graduate respectful, responsible, lifelong learners empowered to meet future challenges.

April 21, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Vanderbilt Area School. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Rick Heitmeyer, superintendent/principal, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site [www.vanderbiltareaschool.org](http://www.vanderbiltareaschool.org), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Elementary or middle school assessment results on the Michigan Student Test of Educational Progress (M-STEP), high school assessment results on the M-STEP component of the Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access).

- Presents achievement data for all four tested subjects (English language arts, mathematics, science, and social studies) compared to targets for all students as well as subgroups of students.
- Helps parents understand achievement progress within schools and compare these to district and state achievement.

**Accountability Scorecard – Detail Data and Status**

Due to the transition from MEAP tests to the M-STEP test, the accountability portion of the AER is limited to assessment participation and graduation/attendance rates. Full accountability reporting will resume with the 2015-16 AER.

**Teacher Qualification Data**

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes.

The mission of the Vanderbilt Area School is to graduate respectful, responsible, lifelong learners empowered to meet future challenges.

## **NAEP Data (National Assessment of Educational Progress)**

· Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8.

At VAS we continue to move forward every single day. As you are aware we are in the fourth year as a Priority School at the elementary level and as a deficit district. We are working with the Michigan Department of Education and the Department of Treasury as we move forward and make the necessary changes to improve our system. As the new person in town, I am proud to report that our staff and Board of Education are working together to allow VAS to be a top notch school district. Our journey is in the beginning stages, but the return of the Yellow Jackets is "in progress."

Sincerely,

---
