

Guarantee and Returns

All the claims must be submitted by email

Engines WARRANTED FOR 30 DAYS from the date of purchase Engine- Seller warranties the long block and its internal lubricated parts ONLY. Engine warranties are limited to manufacturing defects in the block, heads, pistons,

crankshafts, camshafts, rockers, and oil pumps. Bolt on accessories including but not limited to belts, hoses, water pumps, manifolds, switches, wiring, and sensors are

NOT guaranteed. If an engine sold by Seller under warranty fails to operate, liability shall be limited to the replacement of the part or a remedy not to exceed the price paid for the part, at the Seller's option. The buyer hereby acknowledges that due to the nature of used auto parts, any liability of the Seller from ALL causes shall be limited to the price paid for the goods sold or provided.

We want you to have excellent results with your engine, so it is vital that the following items are completed; without them NO LIMITED WARRANTY!

1. Inspect all gaskets and seals. Replace if necessary. If purchasing a 3.1 or 3.4 Chevrolet engine buyer MUST install new intake gaskets or Warranty is VOID.
2. Turn over engine crankshaft at least 2 full 360° degree turns BEFORE installation (720°). If this is not done, warranty is automatically voided.
3. If you have a timing BELT engine with more than 30,000 miles, you MUST replace the timing belts, tensioners, and components (Complete Timing Belt Kit).

We do not warranty timing belts or their components. Timing chains need not be replaced. If purchasing a Kia or Ford Focus (SOHC) you MUST install a complete timing belt kit or warranty is VOID.

4. Install new water pump, new thermostat, new rear main seal, install all new belts and hoses (power steering, alternator, fan, radiator hoses, etc.), new air filter, new fuel filter, and install and gap new spark plugs.
5. Change engine oil and replace oil filter. Change oil and filter again after 500 miles of driving.
6. Add new anti-freeze/coolant. (We don't require, but highly recommend that you buy a new radiator, or take your old one to a professional radiator shop and have it back flushed, flow tested, leak tested, and "rodded-out" if needed.)
7. Engine MUST be installed within 30 days from date of delivery or Warranty is VOID.
8. After install, change oil at proper intervals in accordance with vehicle manufacturer's guidelines or no less than every 3,500 miles

Transmissions WARRANTED FOR 30 DAYS from the date of purchase you receive transmissions guaranteed it to work properly at the time of purchase. Gears are guaranteed to be in good condition at time of purchase. Seller will warranty only if the, following installation procedures were completed:
