## He is Risen! Alleluia! He is Risen!

As is the tradition each year on Easter Sunday, the Mass of the Resurrection was preceded by a Procession around the church to display and venerate the Holy Eucharist. Father Tenus carried the Eucharist through the aisles of the church pausing several times to chant a prayer of joy for the Holy Resurrection.

Relics, flags, and candles carried by parish officers, committee and group members, and children completed the procession line.

Following the close of Mass, the Youth Choir sang "He is Risen" to the delight of the congregation in attendance.

## A New Beginning...

Dear Friend,

Christ has Risen! And following the celebration of His Resurrection we begin to celebrate the renewal of life that abounds with the coming of each spring and summer. What a beautiful time of year!

At St. Casimir's parish, the first event of the new season takes place at our cemetery grounds in Pelham, NH with a Memorial Day Mass at 10 am on May 30. Perhaps Dear Friend, you would like to join us in remembering some of your loved ones who rest in eternal peace.

On June 12<sup>th</sup>, perhaps you would like to join us at a pancake breakfast (complete with strawberries) in the parish center; or maybe you would like to celebrate Father's Day the following Sunday, June 19<sup>th</sup>.

On a lighter note, Dear Friend, why not make plans to join us at the hall on August 5<sup>th</sup> for a pot luck supper and a seat at the Lowell Spinner's baseball game...all for free and a good time is guaranteed. Or you could eat your fill at a spaghetti supper on August 13<sup>th</sup> sponsored by our scholarship committee.

Well, Dear Friend, you can see we have planned a busy season of activity to be shared with our parishioners and friends. I look forward to sharing it with you.

## Parish Cemetery News

A special Memorial Day Mass will be held on Monday, May 30<sup>th</sup> at 10 a.m. at St. Casimir's Cemetery in Pelham, NH. Mass will be followed by a hot dog lunch provided by the ladies of the ANS. A donation of \$3.00 will be accepted to offset the cost of the food.

A CompostTumbler has been acquired for the parish which will generate 22 cubic feet of compost every 14 days. This will help the parish deal with grass clippings, leaves and other organic material that

is accumulating in the ever growing waste pile at back of the cemetery. The compost will be offered free of charge all spring, summer and fall to St. Casimir's parishioners.

Plans are being formulated to put some of the very fertile unused cemetery space to good use by creating a community garden area where parishioners could plant and grow vegetables or flowers during the summer months. Some funds would be needed for timbers to provide raised beds and fencing. Committee co-chairman, Bob Hunt would like to know if parishioners would participate. If you are interested, call Bob Hunt at 978-458-3066 or the pastor 978-453-0742.
