

Wyoming Conference of Building Officials

Announcing The One & Only

WCBO 2016 40th Anniversary Commemorative Western Belt Buckle!

Celebrate in true western style with the WCBO one of a kind custom made belt buckle by Gist Silversmiths. This original design came from one of your own WCBO members and has been approved for production by your Board of Directors.

Typically a buckle of this quality would cost \$350.00+. But dealing directly with Gist Silversmiths WCBO is able to offer this piece of Wyoming history for \$112.00 + shipping if we can get a minimum order for 40 units! Hell of a deal!

At this time we will be doing pre-orders so we can get this price. Please fill out the pre-order form and email to Jim Brown at the City of Gillette. jim@gillettewy.gov You will have a choice to either pickup your buckle at the WCBO 2016 Annual Business Meeting in July or have it shipped early directly to your home!
