Did you know? ... CAFOD's Lent 2019 Appeal focused on Mahinur and her family in southern Bangladesh who have been severely affected by a changing climate after their local river ran dry last year. CAFOD using some of your incredible donations to our Lent Appeal have started a three-year project in Mahinur's village and the surrounding areas. Through the project, CAFOD will reach out to 3,000 families across 15 villages. Teaching local people new skills and farming techniques, distributing seeds and livestock and offering vocational training to help support local people with disabilities like Mahinur's husband. Thanks to your donations, we can reach families like Mahinur's living in communities affected by the global climate emergency.
