WOMEN’S JOURNEY THROUGH HISTORY

We Did It For You! Women's Journey Through History is the story of how women got their rights in America, told by the women who were there. It is an entertaining and quick tour through the journey, starting with the struggle women had in the 17th century Puritan Revolution through to our 21st century empowered women politicians. It has been performed across California for thousands of high school students, college students, and adults. On Women's Equality Day 2017, *We Did It For You!* began performances in Massachusetts. A dedicated troupe of volunteer women who care about women's rights and active participation in our democracy are determined to entertain and educate you with this incredible experience.

Seating is limited for this performance. Due to the popularity of this show, tickets will be sold online. Purchase your ticket(s) on the Friends of Borderlands website: Friendsofborderland.org. Doors open at 12:45pm. For this event, please enter at 257 Massapoag Avenue, North Easton, MA and follow the signs to park.

This event is co-sponsored by the Department of Conservation and Recreation and the Friends of Borderland, a non-profit organization. In 2020, Borderland is celebrating the centennial of women’s suffrage through a lecture series, highlighting remarkable women in American history, along with other programs and events throughout 2020.
