DESCRIPTION: Purpleheart riser.

This is a solid partially reconditioned bow with a few issues. It has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. A couple of stress lines on the back near the riser; a repaired discolored spot near the stabilizer (see pic). A few scratches and scuffs here and there. Decal is in good shape. Overall, this is a serviceable bow in good condition for its age.
