PART-TIME NURSERY SCHOOL ADMISSIONS & WAITING LIST POLICY

Jackman Community Daycare operates a morning Nursery School Program for 3-year-olds. This program operates during the school year from 9:15-11:15 AM. There are 2 RECEs (Registered Early Childhood Educators) who facilitate the program. We are licensed to serve 16 Nursery School children.

In the spring of the year your child turns 3, we begin calling the families on our waiting list in the order their application was received. Please note that because the demand for space is generally greater than the number of vacancies, we maintain a waiting list for each birth year. Unlike our Daycare which is only for children eligible to attend Jackman Public School, the Part-Time Nursery School program is open to all families, even outside Jackman's catchment area.

Nursery School is available during the school year from September through June. Care is either 5 days per week, 3 days per week (Monday/Wednesday/Friday) or 2 days per week (Tuesday/Thursday). You can confirm your preference when we contact you to register your child. While we try to accommodate preferences, it will be based on availability.

Applications are only accepted once the child is born.

We will start our intake for the fall in the spring of the year your child turns 3. A non-refundable registration fee of \$75.00 will be due once your child has been accepted into the program. An interview will be arranged to familiarize you and your child with the program, answer questions and complete admission forms prior to enrolment.

As a private, non-profit centre, Jackman Community Daycare has the right to refuse admission to anyone, at the discretion of the Board of Directors. Jackman Community Daycare may terminate services if policies are not followed or fees are not paid.
