Revised April 2018

## Saddles of Joy, Inc. Equine Therapeutic Riding Center

a non-profit providing an equine therapeutic riding program that serves special needs children, their families and the community.

## I Saw a Child

I saw a child who could not walk,  
Sit on a horse, laugh and talk.  
Then ride it through a field of  
daisies And yet he could not walk  
unaided. I saw a child, no legs  
below, Sit on a horse, and make it  
go Through woods of green And  
places he had never been To sit  
and stare, Except from a chair. I  
saw a child who could only crawl  
Mount a horse and sit up tall Put  
it through degrees of paces And  
laugh at the wonder in our faces. I  
saw a child born into strife, Take  
up and hold the reins of life And  
that same child was heard to say,  
Thank God for showing me the  
way.

Be it child or adult, we continue on  
with education in horsemanship  
and care of the horse at the level of  
understanding and physical ability  
of our riders. We here at Saddles of  
Joy, Inc. acknowledge the level of  
success in simply putting the two  
together, horse and rider, with a  
positive result.

## Our Mission

is to provide all those who come  
to us with a healthy learning  
environment that contributes to  
healing the body, mind and spirit.

During the week we offer  
therapeutic horseback riding and  
lessons for schools groups and  
private students. We host  
birthday parties with rides and  
petting farm! Come see us on  
Saturday Play Days for family  
friendly activities such as  
horseback riding, petting farm,  
learn about horses in our library
