We are a Family oriented Club trying to make an enjoyable experience for all who attend.

We have Handicapped access bridges across the creek and also have a Tin Teepee area just across the creek from the primitive village for those with campers or non-primitive tents. Rifle Trail Walks and Arrow Walks are Handicapped accessible.

We also furnish some port-a-potties at convenient locations for easy access. There are usually vendors who will bring items to sell in the primitive village. We are hoping to have a food service tent where you can buy breakfast, lunch and dinner right on site.

This year we are adding a Primitive Bow and Arrow Trail Walk to score points towards prizes. We have targets in the woods next to the trail walk. You may bring your own bow and arrows but no recurve or compound bows, just long bows. Arrows must have target heads, no broad heads allowed.

There will be a pot luck dinner with everyone bringing their favorite dish on Friday night at 6:00 p.m. in front of the registration tent. Bring your own plates and utensils and drinks. Seating is on the ground on your chairs. While in the primitive area all modern chairs must be covered with a blanket.

Remember if you bring it in, then take it out, as there are no trash receptacles in the camp. There is no potable water available so bring your own water.

**Note: Please Keep Dogs on leash at all times and remember to clean up after them**
