

## **2022–2023 Vaccination Policy**

The Granville Parent Cooperative Preschool does not accept claims of religious or personal exemption for required immunizations in any registration application submitted requesting enrollment acceptance in any of our programs that require a health form.

All students and staff are required to have age-appropriate vaccines recommended by the Ohio Department of Health and the Center for Disease Control.

### **Required Vaccinations (from the Ohio Department of Health)**

- **Chickenpox**
- **Diphtheria, Tetanus, Pertussis (DTap, DT, DTP, Tdap)**
- **Haemophilus influenzae type b**
- **HepatitisA**
- **HepatitisB**
- **Measles, Mumps, Rubella (MMR)**
- **Pneumococcal disease**
- **Poliomyelitis**
- **Rotavirus**

The number, timing, and spacing of the required vaccine doses is set by the Center for Disease Control and Prevention’s (CDC) Advisory Committee on Immunization Practices (ACIP). Vaccine doses are only considered valid if administered according to the most recent version of the Recommended Immunization Schedules for Persons Aged 0 Through 18 Years or the Catch-up Immunization Schedule for Persons Aged 4 Months Through 18 Years Who Start Late or Who Are More Than 1 Month Behind, as published by the Advisory Committee on Immunization Practices.

Out of an abundance of caution for our teachers and children, the Granville Parent Cooperative Preschool Board Members at their October 2021 Board meeting approved a resolution mandating COVID vaccines for all parent helpers who are considered staff. Staff will have until August 1st, 2022 to complete the 2nd vaccine in a two shot series (Pfizer or Moderna). The resolution provides for exemptions that are consistent with federal guidelines from the U.S. Equal Employment Opportunity Commission (EEOC) through Title VII and the American with Disabilities Act (ADA). Unvaccinated employees who feel that their circumstances are consistent with exemptions allowed through the EEOC, will need to provide the exemption from their doctor prior to August 1st. Exemptions or accommodations are not guaranteed.

## **Exceptions**

If your child cannot get vaccines because of medical reasons, you must submit a properly completed and signed official Immunization Medical Exemption Form, signed by your child's medical doctor, to the Granville Parent Cooperative Preschool Enrollment directors with your child's application requesting enrollment.

The Granville Parent Cooperative Preschool does not accept claims of religion or personal exemption for required immunizations.
