Lists and Player's Details: We will be using the BCP (Best Coast Pairings App) Please download the App, create an account and register for our event. After registering for the event, click "player details" in the app, and submit your list when ready. List submissions are due by 11:59pm on Friday 20th April 2018. Please note that this will make your list visible to both the TO's and other players –this is the intention here. Your major faction is the faction keyword of the largest detachment in your army. For example, if I have a 200pt Death Guard detachment, a 1100pt Emperor's Children detachment and a 700pt Black Legion detachment, my major faction is <Emperor's Children> in my <Chaos> army.

Army Composition: Armies are to be of 2000pts or less and are to follow the Matched Play restrictions.

The FAQ's that will be used are:-

Official GW FAQ's for the Rulebook, Latest Chapter Approved and Codexes as of a month before the tournament. Players will go through the following for any rules questions:

1. Players are to consult the Rulebook before doing anything else.
2. If the answer cannot be found in there then check the FAQ's listed above.
3. Players discuss the issue rationally in an attempt to solve the issue.
4. If all else fail, call the TO over who will adjudicate, who's decision is final.

Painting and Modelling:

- All models in your army must be painted to a 3 colour minimum and based. Primer counts as a colour. Skimmer Bases do not need to be based to count as based. Any models that are not painted and based will be removed from play. (This is up to the TO's discretion whether it is appropriately 3 Colours or not, if in doubt please check)
- Proxy/Counts As models are allowed using the “rule of cool” if you are unsure about the model please contact us on orders.au@frontlinegaming.org, or via our FB page: <https://www.facebook.com/FLG-Australia-Events-36027980774734/> and get it checked. If your model is deemed as not as it should be it will be pulled off the table, so please double check.
- There will be a TO choice paint score, that will be decided over the course of the two days

Sportsmanship: Sportsmanship is handled with a Thumb's Up, Thumbs Down format. We default games to a Thumbs Up from both players. If your opponent was acting in an unsportsmanlike manner, which we define as being verbally abusive, physically aggressive, or knowingly cheated on a rule, you are free to give him or her a Thumbs Down on sports. This rule does not exist to express displeasure in a game because you didn't like your opponent, your opponent's army, or you had rules debates, etc. A player that receives two or more Thumbs Down on Sportsmanship will be met with administrative action up to and including ejection from the event with no refund of the ticket cost.
