

Paginat^{or}

Institutional Page Tracking System

Designed for religious institutions to keep congregations on track, increase confidence and enhance the worship experience.

The Paginator makes a measurable difference in your congregation's worship experience.

BENEFITS:

- Keeps clergy from calling out numbers
- Congregants stay on track and engaged with the service
- Does not require electricity

FEATURES:

- Heavy duty metal powder coated construction
- Adjustable height 4 - 8 feet
- Simple construction
- Adjustable floor levelers
- Easy to read black numbers 8.5 x 11 on heavy duty white laminated cards
- Easy to assemble - no tools needed
- Comes 80% assembled
- Made in USA

INCLUDES:

- Adjustable stand
- 4 laminated sets of numbers with easy identification tabs
- Convenient affixed number card holder
- Easy to follow assembly instructions

"I can see the difference in my congregation participation since using the Paginator. What an incredible addition to our synagogue."

-Rabbi Pini Dunner (Beverly Hills Synagogue, CA)
