

Wingate Baptist Church
"In Case Of Emergency Contact Form"

From time to time members of the Church have an emergency that requires a need to contact your family members. The Wingate Baptist Church Safety & Security Team asks that each member provide this information for emergency purposes only. The information will remain in a secure and safe location within the Church office. We will only use it in case of a True Emergency. For example if you get sick or have an accident at Church we could contact someone when you are unable to do so yourself. Thank you for allowing the WBC Safety & Security Team to be of assistance in your times of need.

Your Name _____

Address _____

City _____ State _____

Home Phone _____ Cell: _____

Emergency Contact Name: _____
