1:1 Chromebook Protection Program Form 2022 - 2023 School Year

PROTECTION PROGRAM: This program covers the Chromebook for all students who are part of our 1:1 Digital Learning program against accidental damage to their Chromebook or theft of Chromebook subject to the following: \$0 for the first two repair occurrences per year; one stolen Chromebook incident with a valid police report. After the first two repairs, the family is responsible for the full cost of repairs or full device replacement.

PROGRAM DESCRIPTION: The 1:1 Chromebook Protection Program is designed to protect students and families in the event that the Chromebook issued to a student is stolen, damaged or malfunctions due to no fault of the student. Students and parents may be charged for any damage resulting from intentional damage to the device caused by the student, neglect, or for lost devices, chargers, and accessories.

EFFECTIVE DATES: This coverage is effective from September 6, 2022 through June 30, 2023 and must be renewed annually.

FEE: The cost for the 2022-2023 school year is \$35.00. In the event a student withdraws from the district, the fee is not refundable. If a family does not choose to pay the annual fee, the family may be responsible for the full cost for replacement parts plus labor or full replacement cost of the Chromebook. (See attached cost for repairs.)

Families experiencing economic hardship may request a fee waiver by contacting the appropriate school administrator.

Parents must opt into the Chromebook Protection Program by returning this completed form to the appropriate school office and submitting payment via your Infinite Campus parent portal account by 10/1/2022.

To pay the Chromebook Protection Fee, select the Fees link on the left hand sidebar of Infinite Campus. Select My Accounts on the right, and then Optional Payments. Add the Chromebook Protection Fee to your cart, and proceed to My Cart for payment. If paying for multiple students, select each via the dropdown at the top right of the screen while under Optional Payments, and add once per student.

Please Note: The Chromebook Protection Program is optional but the Chromebook Usage Agreement must be completed and returned for all students who have been assigned a 1:1 Chromebook.
