Hosted by the Helena Figure Skating Club
Helena, Montana

Dear skaters, coaches, and parents,

On behalf of our Learn to Skate Programs, we are thrilled to welcome you to the inaugural season of the Montana Learn to Skate Grand Prix.

We developed this competition series to provide more opportunities for Montana's newest skaters. We strive to encourage these skaters to enjoy a fun, yet competitive environment where they can experience the local community of skaters.

As we enter the first season of the series, please know that we always welcome constructive feedback and will work very hard at the end of this season to find solutions to any issues that may arise, while keeping our mission in mind.

This announcement is intended as a general overview of the competition series. All the competitions are governed by the [Learn to Skate USA competition manual](#). Each individual competition will definitely offer the three events that earn points, but additional events may vary.

We hope that this year will be a great year for Montana figure skating. We wish all the athletes good luck this season – skate your best, have fun and make new friends!

Sincerely,

Amy Malachowski

SECTION 1: GENERAL COMPETITION RULES

OVERVIEW:

Bozeman, Great Falls and Helena Figure Skating Clubs are pleased to announce the 2017-18 Montana Learn to Skate Grand Prix Series. Skaters participating in the three competitions accumulate points based upon placement in the **Free Skate, Compulsory Moves, and Interpretive** events. These events will be used to determine the final series placements. Points will be weighted based on the size of each group. Participants in this series are eligible for special awards and recognition.

The mission of this program is to provide more events to encourage skaters in the Snowplow Sam through Preliminary and Adult levels to enjoy a fun, yet competitive environment where they can experience the community of skaters in our area.

The Montana Learn to Skate Grand Prix will be conducted in accordance with the rules set forth in the [Learn to Skate USA competition handbook](#). Additionally, all participants will be expected to abide by the Code of Ethics (GR 1.01) and the Code of Conduct (GR 1.02), as set forth in the 2018 U.S. Figure Skating Rulebook.

A. 2017-18 Montana Learn to Skate Grand Prix Dates

- Winter Warmup in Great Falls on Saturday December 2nd, 2017 (additional time on Friday or Sunday if needed)
- Rocky Mountain Classic in Bozeman on Saturday February 10th, 2018
- Capital City Skate Challenge in Helena, Saturday April 7th, 2018

B. EVENTS ELIGIBLE TO EARN POINTS

Compulsory Moves:	The compulsory moves event comprises required elements at each level performed without music on half ice.
Free Skate/Program:	The Free Skate/Program event comprises required elements at each level performed on full ice to music of the skater's choice.
Interpretive:	The Interpretive event is skated to music selected by the local competition organizers. The music is a surprise for all the skaters, and the event is judged on musical expression with no required elements.

The top three skaters may be listed on Facebook and the skating club websites. Skaters must complete at least one event at each of the three competitions to be eligible for the final awards.

C. MUSIC

Music must be on a CD (no CD-RW's) clearly labeled with skater or group name and the event. Each event requires a separate CD. Music must start at the first track on the CD. The official competition music must be turned in at the registration table at the time of check-in. A duplicate CD should be readily available rink side. Music may be picked up at the registration table following each event. Every reasonable care will be taken; however, local competition organizers are not responsible for damage to CDs or CDs left at the end of the competition.

D. AWARDS AND MEDALS

1. COMPETITION AWARDS

Awards for each competition event will be given immediately after the results from each event are posted. No more than 6 skaters per group and all skaters will receive an award for every event they skate. First, second, and third place will receive medals.

2. SERIES AWARDS

Individual high point trophies for the series will be awarded after the conclusion of the Capital City Skate Challenge April 10th, 2018.

A traveling trophy will also be awarded to the club with the highest combined point total of all their series participants. The traveling trophy will stay with the winning club until the conclusion of the next season's series.

Please allow up to one hour after the last event for the series results to be tabulated and posted.

E. ELIGIBILITY TO COMPETE

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Learn to Skate USA Program/club or any other Learn to Skate USA Program/club.

Skaters must compete at the highest tested level as of the entry deadline. All skaters should be prepared to show proof of age. Events with large numbers of entries may be split into multiple, equal-sized groups at the discretion of the competition committee and the Referee, and may be done by age. There will be no skate-offs. Skaters may enter up to one level higher than the event level for which the skater qualifies by test but may not enter any event below their test level. Duets must compete at the level of the most advanced skater.

All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including MIF or individual dances.

For the Pre-Freeskate through Freeskate 6 and Introductory levels, eligibility will be based only upon highest free skate test level passed (Moves In The Field test level will not determine skater's competitive level).

Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition.

F. SERIES REGISTRATION

Skaters interested in participating in the 2017-18 Montana Learn to Skate Grand Prix should select the "Grand Prix" event when registering for the Winter Warmup in Great Falls. The one-time additional registration fee of \$10.00 will be used to provide the additional trophies and medals for the Montana Learn to Skate Grand Prix participants

In order for skaters to earn points within the Montana Learn to Skate Grand Prix, they must submit the additional one-time fee with their registration for the Winter Warmup in Great Falls. Only skaters who submit the fee and complete at least one event at each of the competitions will be eligible to receive special awards and recognition.

G. ENTRIES

Entry fee for the first event is \$50. Each additional event is \$15. All registration is done online through Entryeeze.com.

Skaters must register for each competition separately. Skaters are responsible for submitting their registration for each individual competition in accordance with each registration deadline. Participants in the Montana Learn to Skate Grand Prix are subject to the same registration deadlines as all other skaters.

Entry fees will not be refunded after entry deadline unless no competition exists or the event is canceled. There will be no refunds for medical withdrawals. The online processing fees are not refundable. Checks returned for non-sufficient funds and contested credit card charges will be issued a \$25.00 fee. Payment of all fees will be required before the skater is allowed to participate in practice ice or events.

You will be asked the following survey question during EntryEeze registration: "If you are the only skater in any of the events you entered, would you prefer to skate anyway, or withdraw from the single skater event with a refund?" Your response to this question is final and will help us process the schedule more quickly.

H. JUDGING SYSTEM:

The 6.0 closed system of judging will be used for all events, except for specialty events such as Survivor or Shoot the Duck.

I. COSTUME AND PROP REQUIREMENTS

Costumes should not touch or drag on the ice. No feathers allowed on costumes or props. Skaters must be able to move the props on and off the ice without any assistance. Props will not be allowed on official practice ice sessions.

J. SafeSport Requirements

As a sanctioned competition, we are subject to all SafeSport regulations. We realize these are new rules for many parents and skaters. We appreciate your cooperation as we work to implement these rules.

As stated in the [US Figure Skating SafeSport Handbook](#), "Locker rooms and changing areas at U.S. Figure Skating competitive events are for athletes only, will be labeled with regard to specific use and where identified will be gender specific. An exception can be made for athletes 11 years old and younger that will allow for one parent of the same sex to assist their child immediately prior to and after their skating event(s)."

K. Coach Requirements

All coaches should be prepared to show ID and proof of coach compliance status. Primary coaches are also responsible for approving skater registrations and/or notifying the competition of any necessary changes. Failure to approve skater registrations delays the schedule for all skaters. We appreciate your timely approvals.

As stated in [US Figure Skating rule MR 5.11](#):

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

A. Coach Compliance:

1. Must be a current full member of U.S. Figure Skating — either through a member club or as an individual member.
2. If 18 years of age or older, must submit the proper payment of \$30 through the U.S. Figure Skating Members Only website, and submit information for and successfully pass an annual background screen.
3. Must complete the appropriate CER courses (A, B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.
4. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.
5. Must be a current full PSA member if coaching skaters/teams in qualifying events at U.S. Figure Skating qualifying competitions. See rule 1022.

B. Professional Group Instructor Compliance:

1. Must be registered as a Learn to Skate USA instructor member.
2. If 18 years of age or older, must have successfully passed the annual background screen.

As stated in [US Figure Skating rule MR 5.13](#):

Coaches not in compliance with the stated membership, registration and education requirements will be considered “non-compliant” members of U.S. Figure Skating and PSA, and will not be allowed to coach athletes, nor have contact, either directly or indirectly, at a venue for practice and/or at U.S. Figure Skating events

L. Photography

No flash photography is allowed. No photography or videography allowed during the practice sessions or warmup periods.

Parents/Guardians are welcome to photograph or video their own skater during their individual performances. Only parents/guardians can photograph or video a skater. If you are not the skater's parent/guardian, you must obtain permission prior to recording any skater. If you are not recording the skater who is on the ice, please don't point your cameras and phones at the skater.

SECTION 2: AWARDING OF SERIES POINTS

A. DETERMINING POINTS

Points will be awarded based on final placement in the following three events: Compulsory, Program/Free Skate, and Interpretive events.

At the discretion of the Chief Referee, age categories or genders may be combined to allow skaters the chance to compete against other skaters for an increased number of points. For events divided into groups, no final rounds will be skated.

Points are weighted based on the total number of skaters who compete in each event. For example:

1 st place= 6 points	1 st place= 4 points
2 nd place= 5 points	2 nd place= 3 points
3 rd place= 4 points	3 rd place= 2 points
4 th place= 3 points	4 th place= 1 point
5 th place= 2 points	
6 th place= 1 point	

All points follow the skater throughout the series. If a skater moves up to higher levels, the points follow the skater.

The skaters with the top 3 point totals will be released after each competition.

B. TIES:

If skaters tie in an event, they will all be awarded points for their respective placement. For example:

1 st place= 5 points	Tie 1 st place= 4 points
2 nd place= 4 points	Tie 1 st place= 4 points
Tie 3 rd place= 3 points	Tie 1 st place= 4 points
Tie 3 rd place= 3 points	4 th place= 1 point
5 th place= 1 point	

In the case of a tie in the final series standings, in order to determine the winners, the ties will be broken in the following manner:

- 1) The total score for all their free skate events during the season
- 2) The total score for all their compulsory events during the season
- 3) The total score for all their interpretive events during the season

C. WITHDRAWALS

Points will only be awarded to athletes who complete at least one event at each competition. No points will be awarded to an athlete who withdraws for any reason or is not registered as a participant in the Series by the entry deadline of the Winter Warmup in Great Falls.

- Minimum number of spin revolutions are in () following the spin description. Revolutions must be in position.
- The following deductions will be taken:
0.1 from each mark for each technical element included that is not permitted in the event description.
0.2 from the technical mark for each extra element included.
0.1 from the technical mark for any spin that is less than the required minimum revolutions.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Showcase program utilizing intense emotional skating quality to depict choreographic theme.
- Light entertainment: Showcase program emphasizing such choreographic expressive qualities such as comedy, love and mime while incorporating skating skills.
- Duets: Theatrical/artistic performances by any competitors.
- Mini production ensembles: Theatrical performances by three to seven competitors.
- Production ensembles: Theatrical performances by eight to 30 skaters. Theater On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.

INTERPRETIVE

Competition Format

The Organizing Committee must pre-select and edit musical choices appropriate for these events. During the warm-up, skaters will hear the selection of music twice. Following the warm-up, all skaters except for the first skater will be escorted to a soundproof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.

Levels: Levels should be broken by ability with ages divided appropriately.

Judging Rules: Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression.

Spins and jumps performed must be appropriate to competition level.

Time: Music Duration: Pre-Free Skate - No Test: 1:00 Max
Pre-Preliminary - Preliminary: 1:00 Max

Coaching: There is to be no instruction allowed during this event from coaches, parents, or fellow skaters. Staging area must be kept clear except for ice monitor and listening competitor.
