

Skyview Flight Academy is located in scenic Tracy, California with the Sierra Nevada mountain range to the east and San Francisco to the west. With over 320 days of sunshine each year, Tracy has earned the reputation of being the "Best of the Best" when it comes to the ideal location for flight training.

Our 141 training program is based off of the Jeppesen training syllabus which complies with the Federal Aviation Administration (FAA) requirements for training. Schooling consist of both ground (classroom) lessons, briefing/ debriefing sessions, and in-flight lessons. This program will take you from Private Pilot through Commercial Multi-Engine.

The cost of the program is based on of the minimum amount of hours required under FAR Part 141. The course include 205 hours of accumulated flight time including complex and multi-engine training. Each pilot will vary in the amount of actual training hours based on individual proficiency.
