

## APPLICATION RESUBMISSION REQUEST

Although you were not selected during the most recent application period, you may request that we submit your Grant Application during the next application period.

Remember - we do NOT reimburse for fees/expenses that have already been paid. Please look carefully at the Application Deadlines on our website to make sure that you will still have outstanding bills that will be due.

Please complete this form and the Updated Financial Information page and the **non-refundable \$10 Resubmission Fee** and mail it to:

Affording Adoption Foundation, PO Box 834, Nixa, MO 65714  
before the next Application Period Deadline.

Please email us at [cindy@affordingadoption.com](mailto:cindy@affordingadoption.com) when you mail this, to make us aware that it is being submitted.

You may request to have your Application resubmitted in each application period for 365 days after we received your initial application for a \$10 Fee. You must complete a Resubmission Request and pay \$10 for each application period in which you wish to re-apply. After 365 days have passed, you must submit a new application with the \$25 fee. Completing this Resubmission Request does not guarantee that you will be chosen during any future application periods. Your application will be reviewed with the other applications each period, as if it was a new application.
