HAZEL I. FINDLAY COUNTRY MANOR

**Resident and Family Notification of
Emergency/Disaster Plan**

It is the policy of this facility to share appropriate information from the facility's Emergency/Disaster plan with residents and their representatives.

Explanation and Compliance Guidelines:

1. The facility has determined that the following information from the emergency plan is appropriate for sharing with residents and their representatives:
 - a. A written plan is in place, and is reviewed and tested at least annually.
 - b. The plan addresses a variety of potential hazards or emergencies.
 - c. Our staff are being trained on the procedures for carrying out the plan.
 - d. The Emergency/Disaster Plan distinguishes between an evacuation versus sheltering-in-place.
 - e. The Location of the facility's safe zone for immediate evacuation.
 - f. How the representative will be notified in an emergency situation.
 - g. How the representative can obtain information in an emergency situation.
 - h. Lock-down procedures.
 - i. Emergency power.
 - j. Supply chain.
 - k. Transfer agreements with other providers/entities.
2. This fact sheet on the emergency plan will be provided to the resident and/or representative during the admission process, upon request, and whenever changes to that information has been made.
3. Reminders will be provided to residents and/or representatives periodically, but no less than annually.
4. The facility's public website includes information on the facility's emergency plan.
5. Instructions for contacting the facility in the event of an emergency will be posted to the facility's public website: www.hazelfindlay.com
