

## Engineers Without Borders – International (EWB-I)

### **To whom it may concern.**

Engineers Without Borders International (EWB-I) is a federation of national associations of engineers sharing the vision and values of EWB-I.

The mission of EWB-I is to support the establishment and development of similar national EWBs.

This is to confirm that EWB-I supports the establishment of EWB-Singapore and recommends the registration with the Ministry of Home Affairs of Singapore.

Yours faithfully

Steen Frederiksen

President of EWB-I
