### Encouraging Children to go to Jesus Through Mary

In 1917, when our Blessed Mother appeared to the children of Fatima, Lucia, Francisco, and Jacinta in Portugal, she stressed the importance of praying the Rosary daily for the conversion of sinners and for peace in the world. In these apparitions, Mary identified herself as “Our Lady of the Rosary” and asked that the following prayer be recited at the end of each Rosary decade:

O My Jesus, forgive us our sins, save us from the fires of Hell,  
lead all souls to Heaven, especially those in most need of Thy mercy.

What a fitting prayer for the last weekend of October, the month of the rosary, and the week we celebrate All Saints’ Day and All Souls’ Day.

How to pray the Rosary Children for papers and Rosaries available in the Church Vestibule and Hall. Please share with your child.

support a prolife amendment to our state's

vote Yes on Constitutional Amendment #2

## St. Charles Borromeo | Feast Day November 4

St. Charles Borromeo is most known for living during the time of the Protestant Reformation and helped influence reform of the whole Church during the final years of the Council of Trent. Although St. Charles Borromeo belonged to nobility, he greatly desired to serve the Church. In 1559, his uncle was elected Pope Pius IV. He made Charles cardinal-deacon and administrator of the Archdiocese of Milan. At the time, Charles was a simple student, but because of his intellectual qualities, he was assigned several important offices connected with the Vatican. After the death of his brother, he decided to become a priest and was ordained at age 25. Soon after he became bishop of Milan. Quietly working behind the scenes, St. Charles Borromeo is credited with keeping the Council of Trent in session and encouraging the pope to renew the Council in 1562, after its 10-year suspension. Afterwards, he devoted his time to serving in the Archdiocese of Milan. Among his most important actions during his life, St. Charles Borromeo established seminaries, colleges, and communities for the education of candidates for holy orders. His emphasis on Catholic learning greatly increased the preparation of men for the priesthood and benefited their congregations. He died at the age of 46.
