

CYDONIA LINES OF DAMASCUS

The purpose of this study is to present the evidence that the geometric ley-lines of the following city layout is set to the *Cydonia, Mars* ley-lines. Pertaining to the *Cydonia, Mars* anomalies, there are 3 main pyramid structures that comprise the *Martian Motif*. There is the famous *Face of Mars*, the giant *Pentagon Fortress* and the *Pleiadian Pyramid City*. These 3 structures triangulate each other and would make up the core of a large metropolitan city on Earth. What is astonishing is that such a *Martian Motif* is seen implemented in the architecture of almost all the ancient civilizations on Earth. This started, at least based on the archeological record after the *Flood of Noah* with Babylon and Sumer. How the *Martian Motif* is tied to the ley-lines of ancient cities, temples and structures is that perhaps the lost knowledge and connection of the Martian civilization was conveyed to the few and selected 'priestly' class on Earth that constitutes the Secret Societies, etc. This special class of humans are perhaps tasked at keeping the legacy, lifeline and bloodline operational. Even now in the modern era, the same *Cydonia, Mars* motif is incorporated into the major capitals of the world. The *Martian Motif* that is basically encrypted and hidden in plain sight speaks to the powers behind the curtain of those that really are the masters of the world.

Considered to be the 4th holiest place in Islam. The Muslims conquered Damascus in 634. A mosque was built on the site of a Christian basilica dedicated to John the Baptist (Yahya), honored as a prophet by Christians and Muslims. A legend dating to the 6th century holds that the building contains the head of John the Baptist. The mosque is also believed by Muslims to be the place where Jesus (Isa) will return at the End of Days.
