

K0005 Funding: Ensuring Appropriate Access to Equipment

Length: 1 Hour

Description:

Funding can be the element of a wheelchair prescription which can stand between dependency and maximizing independence. This presentation will review the K0005 coding criteria and how it differs from other classifications. The funding process will be broken down into the letter of medical necessity, justification of options and upgrades as well as payment options to help you assist your client in obtaining the best possible funded wheelchair prescription.

Instructional Level: Beginner to Intermediate

Credits: 1.0 CCU / 0.1 CEU

TOTA approval pending

Presenter:

Christie Hamstra MSPT, DPT, ATP

Christie is a Clinical Education Specialist with Motion Composites and has experience as both a Physical Therapist and ATP in the area of seating and mobility and wheelchair prescriptions. Christie received her Masters of Science in Physical Therapy from Andrews University, and a transitional Doctorate of Physical Therapy from Oakland University. As Christie has worked in the realm of seating and mobility in many settings, she brings her expertise and passion to share with fellow clinicians.
