## DRAIN UNBLOCKER - LIQUID

- ✓ Reduces up to 80% of drain blockage risk
- ✓ Keeps drains free from clogging and blockages
- ✓ Eliminates bad odours

### WHAT IT IS FOR

Biological product for treating drains, pipes, sanitary fixture waste pipes and grease separators. Removes organic dirt, prevents clogging of the pipes and the formation of bad odours.

### RECOMMENDED DOSAGE

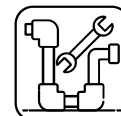

Follow the intervention plan.

### USE

In the evening pour Drain Unblocker into the drain and let it soak all night in order to degrease. Pour water the next morning so that the solution also activates the stretch of pipe going from the drain to the sewage.
