

Summer Groups 2022

Cursive Power

Beginning cursive instruction using the multi-sensory program “Handwriting Without Tears.” Each class concentrates on different sensory motor activities that impact a child’s handwriting ability. Areas covered include body awareness, motor planning, proprioception, kinesthetic awareness, coordination of both sides of the body, memory, visual perception, ocular control, fine motor coordination, and intrinsic hand strengthening.

Parents/caregivers are required to be available the last 15 minutes of each class for review and instructions for home program.

Free Screening Required

When: Wednesdays 11:00 – 12:30

Duration: 6 Sessions

June 15- July 20

Lead Therapist: Erin Tourek

Price: \$231.00

Book Fee: \$11.50

Printing Power

Beginning manuscript instruction for 5- and 6-year-olds using the multi-sensory writing program “Handwriting Without Tears.” Each class concentrates on cognitive-sensory motor activities using manipulatives and hands-on activities to improve legibility, letter formation, and placement. Areas covered include basic line integration, visual closure, knowledge of top and bottom, visual discrimination and directionality, left to right visual sequencing and kinesthetic awareness, fine motor coordination, and intrinsic hand strengthening.

Parents/caregivers are required to be available the last 15 minutes of each class for review and instructions for home program.

Free Screening Required

When: Wednesdays 9:00 – 10:30

Duration: 6 Sessions

June 15 – July 20

Lead Therapist: Erin Tourek

Price: \$231.00

Book Fee: \$11.50
