July WV ASHRAE Newsletter

Hope your having a nice summer. July update - Several of our Chapter Members attended the ASHRAE Annual Conference in Atlanta Ga two weeks ago. Great event. Well over 2500 folks attend. Lots of hot topics were discussed. If you have interest in the subject at the conference contact Art Hallstrom, WV ASHRAE Fellow for more details. Art's email is art@ahallstrom.com.

The next Chapter event is the Region VII CRC in Memphis around July 24. Our Chapter President Jennings Davis is going as our Delegate and Sam Butzer is going as the Chapter Alternate. Chapter Committee Chairs have workshops on Sat morning followed by the Regional Awards lunch. All Chapter members are invited. As it looks now, we had a great year under our last President, Grant Spencer - so we expect the chapter to get lots of awards.

The Chapter has 4 meetings scheduled for next year starting in two months. More details on the programs in the next newsletter.
