DAYCARE 2-5 YEARS

FEES & SESSION INFORMATION

A Place to Enjoy and
Achieve

2 – 3 years

We understand that children develop at different rates and therefore we have created an environment that supports the individual according to their needs rather than to their age specifically. Children who are just two will start in a room that is focused to the needs of our younger children, but as they develop and their needs change we will support a transition to a room with older children.

Whilst we support children to develop at a pace that sustains their lifelong learning, we also encourage children to stretch themselves and explore new areas of learning.

Our nursery is a place where children are happy and confident; they have good friendships and are beginning their journey in life to be able to participate in our society by developing excellent communication and social skills.

Fees & Sessions

We offer free places for eligible 2 year olds and all 3 & 4 year olds. Above and beyond this our fees are based on flat rates of:

£6.25 per hour for 2 – 3 year olds

£6.00 per hour for 3 – 5 year olds

Lunches are available at an additional cost of £2.00 per meal.

Our day runs from 8:00am to 5:00pm with a core morning session 8:45 – 11:45 and a core afternoon session 12:15 – 3:15

We can offer sessions on an all year round or term time only basis

A 3% discount is available to staff working in the NHS, MOD & Education sectors.

3 – 5 years

Many children join us at the age of 3 to take up their free early education, this is where we are able to work with them to develop their skills that will give them the best start when they make the transition to school.

Our staff are sensitive to the anxiety parents may have regarding their children's development and next steps, but through their professional experience and expertise, they are able to reassure and give guidance.

Our staff see the potential in every child and will encourage them to achieve the very best they can. No child is left behind and every child is given support as an individual as well as part of a community. Your child will succeed from being part of our Early Years setting.
