## PRODUCT

05/22/17

Spectrol Power Steering Fluid

## FEATURES/BENEFITS

- A premium formulation using high quality lubricating base stocks and select additives.
- Provides optimum protection in power steering systems of both foreign and domestic automobiles.
- Controls seal swelling and protects pump parts against wear while providing the proper friction coefficient for proper system operation.
- Meets many OEM fluid requirements where power steering fluid is specified.

## APPLICATIONS

- *Spectrol Power Steering Fluid* is suitable for use in most passenger car and light truck applications.
- *Spectrol Power Steering Fluid* is not recommended for systems where special fluids are specified; e.g. SAAB, Honda, Mercedes Benz, etc.

## TYPICAL PHYSICAL PROPERTIES

Density @ 15.6°C	7.146 lbs/gal
Viscosity @ 40°C	36.37 cSt
Viscosity @ 100°C	7.00 cSt
Viscosity Index	157
Brookfield @ -40 °C	<38,0000 cP
Flash Point (PMCC), °C	>180
Pour Point (D97), °C	-48
Color	Bright and Clear/L1.5

## ADDITIONAL INFORMATION

Please refer to your owner's manual when choosing a Power Steering Fluid. The test results listed are typical properties only.
