CHAIR'S CORNER

by Tom Watson

With 2018 year end quickly approaching, I wanted to take the time to share with you our Section's Business Objectives for next year. These objectives are put together by the Section's Leadership Team and align with ASQ's Objectives.

The first objective is Grow Section Membership led by Greg Painter and Dave McGan. They will be reaching out to unpaid members to find out why they did not renew their membership plus attend career fairs to promote ASQ.

The second objective is Offer ASQ Certification Prep Classes led by Mike Soellner and myself. We will be identifying section members who are interested in presenting, topics they would like to present, delivery method and course outline.

The third objective is Standard Monthly Member Meeting Location led by myself. I will be identifying several area hotels/restaurants/legions who could host our section. This will help reduce variation every month and save on overall cost for the section. Location will probably be in the Evansville area since this is a centralized area for the section.

The fourth objective is ASQ Section 0915 Scholarship led by Mike Soellner. We did this one the last two years and it has been very successful.

I will plan to mention these at our December meeting. If you have any questions and/or would like to help out, please let one of the Leadership Team Members know.

WEBINARS

The Webinars will be 11:00 – 11:30 AM CT (12:00 – 12:30 PM ET).

The remaining dates for webinars are being planned.

If you have a desired topic, please let Tom Watson know your thoughts.
