

CYDONIA LEY LINES OF NEWARK

The purpose of this illustration is to present the evidence that the geometric ley-lines of the following Ohio Earthwork layout is set to the Cydonia, Mars ley-lines. Pertaining to the *Cydonia, Mars* anomalies, there are 3 main pyramid structures that comprise the *Martian Motif*. There is the famous *Face of Mars*, the giant *Pentagon Fortress* and the *Pleiadian Pyramid City*. These 3 structures triangulate each other and would make up the core of a large metropolitan city on Earth. What is astonishing is that such a *Martian Motif* is seen implemented in the architecture of almost all the ancient civilizations on Earth. This started, at least based on the archeological record after the *Flood of Noah* with Babylon and Sumer. How the *Martian Motif* is tied to the ley-lines of ancient cities, temples and structures is that perhaps the lost knowledge and connection of the Martian civilization was conveyed to the few and selected 'priestly' class on Earth that constitutes the Secret Societies, etc. This special class of humans are perhaps tasked at keeping the legacy, lifeline and bloodline operational. Even now in the modern era, the same *Cydonia, Mars* motif is incorporated into the major worship centers of the world. The *Martian Motif* that is basically encrypted and hidden in plain sight speaks to the powers behind the curtain of those that really are the masters of the world.

The Newark Mounds of Ohio appear to portray the Cydonia, Mars motif of the 3 main pyramid structures. Such centers incorporated sacred geometry to funnel energies that assisted in opening portals and/or Stargates whereby entities such as Fallen Angels could traverse between spiritual dimensions. The Native Americans knew of this configuration that was used to build their centers of worship and magic.

The Newark Earthworks in Newark and Heath, Ohio, consist of three sections of preserved earthworks: the Great Circle Earthworks, the Octagon Earthworks, and the Wright Earthworks. The complex, built by the Hopewell Culture between 100 AD and 500 AD. It is the largest earthen enclosures in the world, being about 3,000 acres in extent. The Octagon Earthworks was an Observatory to the stars, mainly the Pleiades. Coincidentally such Earthworks attract UFO activity and are in the ley-line across the state and beyond. It is as if it is a 'free way' of intersecting points or 'nexus'. Is it any wonder why Wright Patterson Air Force Base is in such an alignment and is thought to be major hub for Extra-Terrestrial activity, research, and interactions?
