

NEATH Poem

We may be different, we may be small,
We're really little and not that tall,
My name is grumpy I always frown,
My name is happy I'm never down!

This is bashful he's really shy
I always blush I don't know why
Doc is bossy he tells us what to do
And then there's sneezy atchoo atchoo

Sleepy always likes to kip
My name is dopey I'm not that quick
Together we are best of friends
We never ever fight

So off we go, high ho high ho,
It's time to see Snow White!

PONTYCLUN Poem

Do you want to be my friend
That would be so great.
You could be my bestest pal
And I could be your mate

We'll play in your back garden
And then we'll play in mine
We'll eat a lot of chocolate cake
Oh that would be so fine

I'll let you share my teddy bear
I'll let you share stuff
I'll give you lots of cuddles
Whenever you feel rough

I'll help you with your homework
And be there when your sad
I'll make you feel much better
Whenever you feel mad

Because I am your number one
I'm not your number 3
And I want you to always know
You got a friend in me!

CAERPHILLY Poem

Come with me and take my hand
I'm taking you to Disneyland
A place where all your dreams come true
Meet Mickey Mouse and Minnie too

A castle that is made of gold
And fairytales never to be told
Meet Peter Pan and then meet Alice
The wicked Queen who's full of Malice

There's Donald Duck, and there's Snow White
There's Cinderella, oh what a sight!
The seven dwarfs hi ho hi ho
And don't forget Pinocchio

Disneyland you're my best friend
I never want this dream to end
I want to stay here forever
And go back home never ever ever!

CAN YOU FEEL THE LOVE TONIGHT?

Can you feel the love tonight?
The peace the evening brings
The world for once in perfect harmony
With all it's living things

LET'S GO FLY A KITE

With tuppence for paper and strings
You can have your own set of wings
With your feet on the ground
You're a bird in flight
With your fist holding tight
To the string of your kite
Oh, oh, oh!

Let's go fly a kite
Up to the highest height!
Let's go fly a kite and send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite!

TRULY SCRUMPTIOUS

Truly Scrumptious
You're truly truly scrumptious
Scrumptious as a cherry peach parfait
When your near us
It's so delicious
Honest Truly, you're the answer to our wishes
Truly Scrumptious
Though we may seem presumptuous
Never, never, ever go away
Our hearts beat so unruly
Because we love you truly
Honest Truly, we do

YOU'VE GOT A FRIEND IN ME

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles from your nice warm bed
You just remember what your old pal said
You've got a friend in me
You've got a friend in me

You've got a friend in me
You've got a friend in me
You got troubles, and I got them too
There isn't nothing that I wouldn't do
We stick together and we see it through
'Cause you've got a friend in me
You've got a friend in me

And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me

HOW FAR I'LL GO

See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go

See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, how far I'll go

FOLLOWING THE LEADER

We're following the leader, the leader, the leader
We're following the leader, wherever he may go
We won't be home 'til morning, 'til morning, 'til morning
We won't be home 'til morning
Because he told us so

Tee dum, tee dee a diddly dum dee day
We're out for fun, and this is the game we play
Come on, join in and sing your troubles away
With a diddly dum, a diddly dum dee day
