

# Advanced Manufacturing Partnership for Southern California

AMP SoCal  
“Manufacturing Community”

AMP SoCal Geographic Scope

***Vision:*** Provide our A&D manufacturers with the tools, talent, and capacity to master the future

***Mission:*** Increase the quality and number of high-skilled A&D manufacturing jobs in the region

# Outcomes

- A supportive infrastructure to help A&D companies thrive
- A growing manufacturing community offering exciting jobs
- Increased innovation and growth of new businesses
- Engaged and inspired youth pursuing careers in manufacturing

## The 6 Pillars

The Public Infrastructure that Supports Manufacturers
