

Sherwood CC Update:

Have reached out to each of our schools for SOCA requirements missing.

Sherwood HS, Olney ES both have submitted needed forms to MDPTA via email. SOCA tracker has been updated.

Sherwood CC's met with our OSSI director Dr. Mike Zarchin on 9/14 to discuss issues in cluster; bus safety, BTSN (issue on single parents with two students in same school) unable to divide and conquer. Asked for a way to provided the needed information to Parent for student's classes they are unable to attend on BTSN.
