**Times:** 10 a.m. to 12 p.m.  
**Cost:** \$160

Advanced high school clinics are for players who will be entering 9th grade through 12th grade. Advanced middle school clinics are for players who will be entering 6th grade through 8th grade.

For players to sign-up for these clinics they should be able to serve, rally at a basic level, and have the ability to play a match. The advanced high school and middle school clinics will include instruction, drills, conditioning, and competition in singles and doubles all supervised by qualified and certified USPTA/USPTR professionals. Each session is ability-grouped by age and experience.

The purpose of these tennis clinics is to go beyond the recreational standards to the competitive level. Participants should also play in local tournaments on a regular basis. Tournament experience is crucial to building competitive confidence and skills.

No make-up dates for rainouts. If an advanced clinic must be paused temporarily due to Covid-19, players will be refunded half the value paid of the clinic dates missed due to Covid-19. All clinic cancellations will be announced through THJTA's Facebook account.

**CLICK CLINIC NAME TO GO TO REGISTRATION PAGE BY WED., MAY 26TH.**

- \* **Save \$50** if you sign-up for all three high school sessions. (Note: On registration web page, this option is listed as ALL Advanced High School Tennis Clinics—Sessions 1, 2, and 3)

# BEGINNER

## ELEMENTARY AND MIDDLE SCHOOL TENNIS CLINICS

Sponsored by:

UNION  
HEALTH

Healthier, together.

UNION  
HEALTH

Foundation

These clinics are for children entering kindergarten to 8th grade. They are for beginning players who are interested in learning tennis in a group setting through games, drills and instruction. For players that have never played tennis before or who are not ready to play matches, this is the perfect clinic for you!

One adult site director supervises each site with more student instructors based on the number of participants. The players will be divided into groups based on age and ability. The purpose of this program is to introduce more juniors to tennis and to encourage their participation in competitive tennis.

Beginner clinics will be offered on the dates to the left at Rose-Hulman, Honey Creek, West Vigo, and Woodrow Wilson tennis courts. Each location will be limited to the first 50 sign-ups. Players must attend the location where they sign-up. Sites may be combined depending on total sign-ups.

No make-up dates for rainouts or refunds for beginner clinics cancelled due to Covid-19. All clinic cancellations will be announced through THJTA's Facebook account.

### Beginner Elem. and MS Tennis Clinic Session #1

**Where:** [Rose-Hulman](#), [Honey Creek](#), [West Vigo](#), and [Woodrow Wilson](#) (Attend sign-up location only)

# USTA TOURNAMENTS

## COMPETITION - BOYS AND GIRLS | 12-18 YEARS OLD

The THJTA offers three USTA sanctioned junior tennis tournaments during the summer. Sanctioned tournaments guarantee participants that USTA rules of fair play and conduct will be followed. They also allow our tournaments to be publicized on a regional and even national basis. This means good competition for our youngsters without the cost of driving to other communities. The tournaments serve as a basis for rankings and seeds.

## A NOTE FROM OUR USPTA/THJTA HEAD PROFESSIONALS

THJTA head professionals Wesley Kirk, Dallas Kelsey, and Chris Strong are members of and certified by the USPTA or USPTR, the world's premiere tennis teaching associations. This certification means that your THJTA instructors have passed a rigorous exam and completed more than 25 hours of continuing education.

Your THJTA lead instructors are the most experienced group in the area, having taught tennis for more than 75 years collectively. We have privately coached more than 200 varsity players in Terre Haute and the surrounding areas with more than 30 of these players going on to play collegiate tennis. We have been named Athletic and Academic All-American, All-Conference, and played number one positions at both Terre Haute South and Indiana State University. We have been named Indiana USPTA Professional of the Year and honored with the Community Service Award by CITA. Additionally, we received the Brad Homes Award and Cap Leighton Award by CITA, and were awarded the 2020 Community Tennis Association Award for the Central Indiana Tennis Association and USTA's Midwest Section. We have been clocked on our serves at 128 miles per hour (looking at you, Jordan). Your THJTA instructors have been friends and worked together in tennis for over 20 years. Most importantly, your THJTA instructors are ready to have fun with you this summer while sharing what we have learned about the great game of tennis!

Sincerely,

Chris Strong, Erin Friedrich, Wesley Kirk, Dallas Kelsey, Maegan Flight, Meredith Fenimore (*pictured above, in order*)  
Amanda Lubold, and Matt Wilson (*not pictured*)
