## OUR MISSION

Since 1922, Mills has built a family tradition of trust through honesty and integrity. We are a high achieving, results oriented Team, who express our individual passions, desires, and drive through our creative and fun energy every day! We develop mutual, long-term relationships with our Guests and Customers by exceeding their expectations, and creating world class experiences!

## OUR HISTORY

Our Automotive heritage began in 1922, when Stewart C. Mills, Sr. purchased the Lively Auto Company and began selling Chevrolets and Hupmobiles on Laurel Street in downtown Brainerd, MN. The Company was known as Lively Auto Company and originally operated on a 24-hour basis selling gasoline and autos, and provided auto repair and auto storage for the brutal northern MN winters.

The garage door of the Lively Company was opened and closed each day by a hand-operated large wooden wheel. The wheel Stewart Sr. used every morning for business has become our logo and symbol for the Mills Automotive Group. The original wheel is displayed in the showroom at the Mills Ford Lincoln Baxter location.

Stewart Sr. expanded his business and formed Crow Wing Oil Company which developed into one of the largest bulk oil distributors and station operators in the Brainerd Lakes area. In January of 1931, Stewart Sr. and his brother Henry C. Mills, began Mills Motor, Inc., a Ford, Lincoln, and Mercury dealership in Brainerd.

Stewart Sr.'s son, Stewart C. Mills, Jr., with his twin brother Henry C. Mills II, opened the first Fleet Wholesale Supply in Marshfield, WI in 1955. By 1960, the Company name changed to Mills Fleet Farm and grew to 35 locations in 4 states prior to the sale of the Mills Fleet Farm business in 2016.

Stewart Jr.'s daughter, Marisa M. Mills, is the President and Owner of the Mills Automotive Group today.

The Mills Automotive Group has grown to include 5 automotive dealerships, 3 in Brainerd, and 2 in Willmar, MN, a state-of-the-art 75,000 SF Collision Center in Brainerd, and our Wholesale Automotive Parts Supply business based in Willmar serving the state of Minnesota and areas of North Dakota, South Dakota and Wisconsin. The dealership franchises include: Ford, Lincoln, GMC, Buick, Honda, Chrysler, Dodge, Ram, Jeep, Nissan, and Toyota.

Sharing our Brainerd Ford location is the Mills Truck Service Center, teamed & equipped to perform timely service & repairs for big rigs, semi-trucks, buses, RVs, and other commercial vehicles. In addition, our Mills Auto Xtreme Team offers the very latest, cutting-edge, automotive graphic design, customizations, and accessories.

Radco Truck Accessory Center and Accessory Pro Warehouse joined the Mills Automotive Group family in 2016. Radco has been serving the upper Midwest since 1976 with a wide selection of quality truck accessories. Radco has 8 retail store locations; 6 in Minnesota, and 1 each in North Dakota and South Dakota, and an online retail presence at Radco.com.

Our Company history reinforces the importance of the cornerstone foundations of our business, growth, and success: Honesty, Integrity, Efficiency, Hard Work, Courtesy, Guest and Customer Service, Loyalty, and Gratitude! These are our trademarks and our Team's way of doing business!

We are thankful for YOU, our wonderful Customers, and we gratefully look forward to serving you in the future!
