John,

I wanted to drop you a quick note to tell you how great your presentations were at my Michigan Real Estate Masterminds Luncheons last month! The feedback from attendees was absolutely fantastic and many people said you were the best presenter they have ever heard. That makes me look good too John and I appreciate that. Your information was powerful and I learned many things that I had never been taught before that I can apply right away in my own life.

I would highly recommend you as a speaker to any group who wants cutting edge unique information and high energy. Thanks for taking the time to participate in our Mastermind Luncheons and I look forward to having you back very soon.

Take Care,
