

Workstations (US Podbox)

Our original pumped-up, portable emergency medical station allows you to dispense, vaccinate, assemble, strategize and command — whenever and wherever you're called to action.

Unique removable front panel that flips to a work-station table in seconds

Mounted, lock tilt bins provide easy access

Easy clean work surface, comfortable 42" from ground

Hand holds, pulls and places for tie-downs

Our workstations goes where you go

Four EZ Glide casters muscle-up even your weakest link, lockable front casters for stability, glide across most surfaces

Hasp locks for security and safety

Customizable options to suit your work needs; refrigeration, dry erase boards, color, logo and so much more
