What Every Family Needs

TEXT: Psalm 127:1-5

Intro: This Psalm reminds us that families need help! We need...

1. Biblical foundation implanted in the heart (Jam. 1:21).
2. Authentic faith directing our daily steps (Ps. 119:105).
3. Living demonstration of Christ for all to see (Phil. 1:21).
4. Agape Love withheld from none (John 13:1, 34-35)!
5. God's priorities with no rivals (Matt. 6:33)!

Con: God will meet all our needs; God bless our Homes!

Thoughts From Hatton

BELIEF IN GOD IS RATIONAL BECAUSE OF THE WORD

If one desires to know the origin of the world, one may rely on separate sources. One might rely on personal intuition. In addition to this, one may consult outside sources.

Some of those outside sources are unreliable, unfortunately. Some appeal to Darwin's *Origin of Species* to determine the origins of this world. This would be considered an unreliable source because it cannot explain elements of this earth fully. The evolutionist must have millions of years to prove his position, which he will not have.

The proper source to which to appeal is the Bible. The Bible is the written record of God's speaking this world into existence. One may articulate arguments to show this, but this is not the purpose of this posting.

If one will appeal to the Bible, all the answers will be contained within. The Word possesses the one thing that no other source has: God's thoughts (1 Cor. 2:9-13). The NASB says that the Bible has put "spiritual thoughts with spiritual words." It has accomplished that purpose.

Men have attempted to eradicate the Bible and God from the public square. Though men have attempted to do this, the Word will accomplish the purpose, which is saving souls (Isa. 55:11).

It's been another Covid year. We thought it would have passed.

It's winter time—freezing cold—snow, sleet, ice keep coming with a blast. Dear Christian always faithful and true, Don't let this be a distraction to you. Keep pressing on through Winter's chill. Remember Christ's discomfort on Calvary's hill. Days will be brighter, so keep trudging on, We'll get through Covid and the winter long.

JOTTINGS FROM JACK

“Your Possession”

Did you know you have something in your possession that can have either a positive or negative effect on others? Yes, with this possession, you can bring a smile or a frown, joy or sorrow, gladness or sadness, even triumph or tears.

Sometimes people choose not to use their possession. Of course, this is good if they are not going to use it to bring about something constructive.

But also think about those who refuse to use this possession, who could make a huge difference in someone's day, or even someone's future.

This possession has destroyed the reputations of some. It has ruined marriages. It has cost businessmen their jobs and estranged friends, and even family, from one another.

Why would we not want to bring life to someone, instead of death? “*Death and life are in the power of the tongue*” (Prov. 18:21)?

Why would we not do something as simple as using our tongue to encourage the downtrodden? Why would we not speak pleasant words and complimentary words to those who need sweetness added to their soul (Prov. 16:24)?

Why would we not want to make others glad (Prov. 12:25)?

Did you know we can “feed” many if our words are righteous (Prov. 10:19-21)? Yes, we can, with our small possession, actually sustain the broken and destitute spirits of our fellowman.

Christian, will you look for, and find opportunities to use your possession to brighten someone's world? Or, will you intentionally “keep back” the potential of your possession?

Think about it!
