

Saint Peter's University Hospital Knight Scholar™ Program

Knowledge-Networking-Innovation Graduate Health-System Training

ABOUT US

Saint Peter's University Hospital (SPUH) is a non-profit, acute care facility located in New Brunswick, New Jersey and has been serving the healthcare needs of central NJ for more than a century. A technologically advanced 478 - bed teaching hospital, a broad array of services is provided to the community.

SPUH is accredited by The Joint Commission and in 2016, became only the fifth hospital in the world to achieve Nursing's highest honor, Magnet designation, for five consecutive times.

SERVICES PROVIDED

SPUH's Pharmacy Department provides service twenty-four hours a day, seven days a week. The Pharmacy is fully automated with the Aesynt suite of products including MedCarousel, NarcStation and Acudose. SPUH utilizes electronic medical records, computerized order entry and barcode administration.

The Pharmacy Department is actively involved in protocol development and implementation, drug information, continuing education seminars, and preceptorship of pharmacy students and pharmacists in an ASHP-accredited residency. Practice areas with designated clinical specialists include Internal Medicine, Intensive Care, Emergency Medicine, Oncology, Pediatrics and Antimicrobial Stewardship.
